

raze™ kd desk

design... that fits!

...design that fits!

raze™ kd desk

SIS learning environment tables have long been a mainstay in classrooms worldwide. Now we're raising the bar with **raze™**, a KD adjustable table system that reduces shipping and storage costs, easily transitions from one to two-student desk sizes by changing crossbars and tops, and fits all grade levels.

raze™ is maintenance adjustable in 1" increments from 22.5" to 29.5" to ensure that you'll buy once-and-for-all a desk system that covers all grade levels, K – Adult, and eliminates inventory problems caused by unanticipated demographic shifts and re-purposing

raze™ is available for timely delivery; **stocked** in silver powder coat finish, and made-to-order in the laminate and edge band colors of your choice.
